Step 6. Edit Support Materials

You are editing *Treehouse Building Lesson 2: Documenting Research*

Edit: Compose Support Materials Add Support Material Documents Learner Section Introduction Add Media

[Basic editing instructions](#)

Edit Support Materials Instructions

Compose Support Materials

Use this section to create materials with the treehouse HTML editor.

Add Support Material Documents

Use this section to add documents (in MSWord format etc.) to be used as support materials.

Learner Section Instructions

Use this section if you would like to add an introduction or instructions for students for a separate "learner section" page.

Get Help

Click on the lightbulbs in each section.

Learner Section Instructions

If you would like to have a separate learner section for students to follow the assignment, you can write an introduction to the activity for students here. As you add support materials for students be sure and check the box to have them shown in the learner section.

1. **Go to the page** [Documenting Research](#)
2. **First**, go over the section at the top called: "Why Document Your Work?" and discuss or think about:
 - What are some reasons you may want to use multimedia (text, images, movies and sound) to document your research?

Path:

Add Media

[Add media \(images, sounds and movies\)](#)

Save and Preview Your Treehouse

After you click the save and preview button your treehouse should open in a new browser window.

Save and Preview

Once the current version of your work has been saved, you can close this window and come back whenever you are ready to add more information.
